

Advanced Adventure Diver

You've taken your open water scuba diver course and now you're ready to expand your knowledge but you would like to see what is out there first. The SDI Advanced Adventure Diver course will give you an overview of five (5) selected SDI specialties. Two of the specialties are SDI Deep Diver and Navigations Diver, which are the foundation of continuing diver education. The remaining specialties can include any specialties including :-

- Diver Propulsion Vehicle
- CPROX
- Wreck Diver
- Dry Suit Diving
- Search and Recovery
- Underwater Video
- Underwater Photography
- Underwater Hunter and Collector

This course is intended to introduce you to each of the five (5) specialties and not complete comprehension of the chosen specialty. One (1) dive from each of the chosen specialties may apply towards a complete specialty certification. Prerequisites
